IMPORTANT INFORMATION – PLEASE READ

Please be aware that DART is a work based training provider and that all applicants will be in real work situations within the land based industry which can attract a high degree of health and safety risk. As a consequence of this DART does not offer entry level qualifications or work tasters.

If the applicant does not have an employer or work placement we may be able to suggest possible places however DART does not have a bank of employers with vacancies and we may be very unfamiliar with the geographic area the applicant lives in. In order to assist us with the search for a suitable placement can you please complete the following :

1. Has the applicant or Connexions already approached any employers for a placement? Please detail any employers tried and the outcome.

2a How will the applicant get to work? _____

2b What radius from home 2miles 5miles 10miles 15miles etc _____

3. Please detail below (on separate sheet if necessary) any possible employers, which are within the area outlined above so that DART can make contact with them, or any previous work experience you have had.
